

Master The Art of Keywords: And Get 1000s of FREE Visits to Your Website

This book is designed to do one thing and one thing only: teach website owners how to get 1000s of free visits to their website by simply choosing and deploying keywords effectively. Through tried and tested methods I will show you how I get over 600 unique visits to my software website every day. My methods cover basic SEO, website publishing, keyword research, domain names and other need to know tips for reaching #1 in Google. This book will shave 8 years off your journey as a webpreneur and will quickly become your pocket guide to doing SEO right. This is not a heavy read, rather, we quickly jump into some of my SEO secrets and then get hands on with creating perfectly optimised content. This book will make you look differently at how youve been producing content for the web and will completely change the way you verify opportunities in the on-line sphere.
