

A History of Columbus, Mississippi, During the 19th Century (Classic Reprint)

Excerpt from A History of Columbus, Mississippi, During the 19th Century The illustrations in this book have been selected mostly with the view of preserving the personality of those men who as early settlers made possible the Columbus of today, the Columbus of which we are so justly proud. Their industry, their integrity, their regard for the refining processes of education and religion left an impress of incalculable value, a priceless heritage it is that can not be too carefully guarded. These men and others like them may well be held up to their descendants as men as knightly as those who rode with King Arthur, who ever upheld that which is good and both by precept and example put down all that was ignoble. Today owes tribute to that yestertime that in some measure is paid by these illustrations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
