

Pug (I Like to Read)

Theodor Seuss Geisel Award-winner Ethan Long uses his trademark wit and energy to make this simple story for the newest readers memorable and hilarious. Yap, yap, yap! Pug sees Peg through the window. He wants to join her! Why won't anyone take him on a wonderful snowy walk? Mom is just too comfortable in her recliner. Dad is tired from shoveling. That leaves lazy Tad, who is still sleeping. Yap, yap, yap! insists a determined and clever Pug.
