

Model Test for the New HSK Level 6 (+1MP3) (Chinese Edition)

This book is a collection of model tests according to the general requirements of new HSK. Each level is composed of 4 model tests, listening scripts and detailed key explanations. The question types, language materials, passage length and difficulty of the tests are in complete accordance with the general requirements of new HSK. The tests cover all required test points and provide a practical training for examinees.
