

A Very Short, Fairly Interesting and Reasonably Cheap Book about Studying Leadership (Very Short, Fairly Interesting & Cheap Books)

Written for students who want to question what they are learning in their leadership course but are short on time, this entertaining and accessible book will be the perfect accompaniment to any course on leadership. With controversial ideas and funny stories, it covers topics that readers will recognize from their course and some new but equally important areas to challenge their thinking. Part of a highly popular new series this book will make you better able to question and understand this burgeoning field.
