

## Business Advantage Upper-intermediate Audio CDs (2)

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The audio CDs (2) contain all of the listening materials accompanying the Students Book. The Business Advantage Upper-intermediate level books include input from the following leading institutions and organisations: the Cambridge Judge Business School, the Boston Consulting Group, Nokia, Dell, and Havaianas - to name but a few.
