

## Charleys Christmas Story (Coloring Book)

Charley Centipede took his moms advice, To not be Naughty but to be nice. He found that you start living When you begin with giving. Pay it forward to all your friends Is where real happiness begins and ends. So gifts he bought to give and share with a hyena, his teacher, and even a hare. With a spring in his step, a lift, and a jump, Charley spread happiness and wasnt a grump. Give and you will receive that cant be beat. And, you won\*t feel the agony of de-feet. Color Charleys world beautiful!
