

## Christmas Stories and Legends

Unusual care has been taken in compiling this little volume and each story has its own sweet lesson. Each one is from the pen of one who has imbibed the real spirit of Christmas. They were chosen as being particularly well adapted to use in connection with the Christmas Service White Gifts for the King, but they will prove attractive and helpful at any time during the year. It is our earnest wish that this little book may find its way into many homes and schools and Sunday Schools and that its contents may help to give a deeper appreciation of the true Christmas spirit.
