

## Collins Gem Russian, 3e

Now including the most important new words and phrases in English and Russian, the Collins Russian Gem Dictionary offers accurate and reliable coverage of today's language. In addition, the most common words have been given more detailed treatment in order to make them easier for the user to understand and translate. New to this edition are special entries on life and culture in Russia, Britain, and the United States, and an indispensable glossary of business words in Russian and English. Presented in a handy, portable format, and with a clear, user-friendly layout, the Collins Russian Gem Dictionary is the indispensable reference tool for office, home, travel, and study.
