

Creating God: Worldbuilding A Religion (How To Write Fantasy) (Volume 1)

Jay Marian followed his dream and became a successful veteran fantasy writer, with over a millions words in self-published books to his credit. Now in a new book, *Creating God: Worldbuilding a Religion* he shares some of what hes learned so you can do the same. Part of a continuing series on fantasy writing, *Creating God* focuses on a key aspect of worldbuilding: how to create a believable, compelling religion for your story. A former teacher of creative writing, Marian explains why religion is essential to any story. *Creating God* breaks down the process of developing your worlds religion into clear, easy-to-follow steps. Youll learn: 5 key questions to answer in developing a religion The differences between a cult and religion How religion can shape your worlds culture The impact religion has on character Ideas for religious rituals And much, much more! Those great fantasy stories in your head are begging to be written. Grab a copy of *Creating God* today, and get the help you need to get started writing!
