

Dog Train: A Wild Ride on the Rock-and-Roll Side (Book & CD)

Boynton rocks! So does Blues Traveler, who perform a stomping version of the title song, a moody rock journey that Boynton wrote especially for them. And then there's Alison Krauss with Evermore. And Steve Lawrence & Eydie Gormereally who do the Boring Song. The Spin Doctors, who channel rocks rebellious sidewith a taste of punk for Tantrum: No No No, I dont want to, I dont want to./No no no, I dont want to, no no./Leave me alone. Leave me alone./LEAVE ME ALONE. And the sweetly unexpected pairing of Weird Al Yankovic and Kate Winslet (yep, Kate Winslet) as a duet singing I Need a Nap. Full of attitude, full of fun, all lit up with star power, and boasting a variety of Top 40 styles rock and roll, blues, hip-hop, and power pop Dog Train is the third book-and-CD production by Sandra Boynton, following the #1 New York Times bestselling, Grammy-nominated Philadelphia Chickens and the recently re-released Rhinoceros Tap. Like Philadelphia Chickens, features all original songs recorded by a mix of big-name acts and great voices, for the pleasure of the parents as much as the kids. Packaged similarly to the previous Boynton & Ford recordings, Dog Train is also a full-color book that features a portion of each songs lyrics set as a little story, accompanied by Boyntons irresistible hippos, cows, dogs, and more dogs. Full lyrics appear in the back.
