

Ebook Magic: The Simple, Painless Way to Produce Your Ebook in 7 Days or Less

Attract customers and sell more! With Ebook Magic, you can... Create an ebook for your business in 7 days or less... Turn existing content into a special report with little to no extra writing... See two types of editorial calendars, and learn how they can transform your content marketing efforts... Learn how to get double the results from your existing writing schedule, so you can easily produce the content you need... Learn to write, edit and format your ebook like a professional content creator. The secret to growing your business is content and lots of it. But where do you find time to produce it? And how can you get it done while continuing to run your business? Fortunately, If you write a blog or newsletter or publish articles, you're already doing what it takes to create high-quality ebooks. You simply need to implement my unique system, which allows you to hit multiple targets with one strategic effort. What is this system? I call it Ebook Magic. And believe me, when you start cranking out ebooks and special reports in a matter of days and weeks rather than months and years, you'll understand why I call it magic. In this report, I walk you through the process. You'll learn how to: Plan your topics even if you're NOT a natural planner. Create an editorial calendar that shows you at a glance what you need to do. I give you two samples and tell you exactly how to fill them out. Write for two or more purposes at once so you can produce multiple forms of content in hours instead of weeks. Pull it all together with the same editing checklist I use in my own writing. Formatting tips to help you create a professional-looking ebook quickly and easily. It's all there: a practical, no-nonsense system laid out in an easy-to-use, easy-to-implement format. It practically holds your hand and walks you through the entire process. If you ever wondered how other marketers are getting it all done, you'll love Ebook Magic. It pulls back the

curtain to reveal the surprisingly simple methods professional content marketers use to generate reams of content.
