

## Writing Tips: Helpful Suggestions from an Editor to an Author (Wisdom in Writing Series)

So you want to write a book? Or maybe you did that part already, and now you want to get published? Are you wondering if your book is good enough for print? Have you always wanted to write a book, but you aren't sure that's a goal you can achieve? Perhaps you have written a book and now you are ready to take your writing to the next level? Here's a little coaching from your friendly professional book editor. The hardest part for a lot of writers can often be getting good feedback—solid, helpful, concrete tips that point them in the right direction. In this book, you'll find excellent guidance as you work through the process of writing, plus helpful self-tests to see how good your book is once it's done. Whether you're writing fiction or nonfiction, whether you're finished or still just brainstorming or somewhere in between, this book has something for you. Educational, thought-provoking, and above all encouraging! If you are a writer, this book is for you!
