

English Grammar Today with CD-ROM: An A-Z of Spoken and Written Grammar

A major grammar reference book of modern English, specially written for intermediate learners of English. English Grammar Today is an indispensable reference guide to contemporary English grammar and usage. With extensive corpus research at its core, it provides over 500 entries organised into an easy-to-use A-Z structure. Authentic examples of written and spoken English place the grammar in context and the clear explanations make it ideal for intermediate learners of English at CEF levels B1-B2, including those preparing for IELTS or Cambridge English exams such as Preliminary and First. The book comes with a free CD-ROM that provides the book content and nearly 200 additional entries, plus audio recordings of all the examples and dialogues.
