

English Magic

English Magic was created and written by R. Royale. The Author has an abundance of experience living and teaching this very unique oral spoken English skills overseas in China. His methods have been put into this self-help handbook for the English second language learners. This book ONLY teaches the oral verbal English communication skills in a natural and easier way. Readers will learn how to speak the American Popular English language better and faster within 90 days guaranteed! By using English Magic, theyll find that its the best possible way to improve their ability to speak the language through the many English cultural environments. And theyll see that it works without a doubt! English Magic will be their guide to greater English spoken proficiency as well as quicker fluency. This amazing discovery was developed and proven in the grade schools, universities, vocational training facilities, and in workplaces all around China.
