

ESL Toolkit (Spanish Edition)

Learn English grammar, pronunciation, vocabulary and verb conjugation all in one place. The ESL toolkit is a wide-ranging assortment of interactive English-instructional material which includes the following five products: the Grammar Cracker, IPA Phonics, Varsity Vocabulary, a Boatload of Idioms and the Verb Conjugator. Intended for English language learners who are at the intermediate level and above, the ESL Toolkit was compiled for those who already have some background in English but want to improve their proficiency in order to take the TOEFL exam, get a job dealing with international customers or simply travel abroad. The language practice that comes with this broad selection will give users a firm basis for speaking English in today's world. The ESL Toolkit provides the resources with which to build English as a Second Language skills.
