

Childrens Book : Spy Dogs (1-3): The Collection (Pug books, Detective series, Dog and Cat Stories, Cozy detective)

The Collection - A Suspicious Neighbor - Cats Revenge - The Aliens Invasion One day as the loveable dog Puggy was spending time with his owner Bill, Puggy noticed something strange happening at the house next door to them. Puggy watched his new neighbor in suspicion as the man carried a large struggling black plastic bag. Being the curious dog that he was, he snuck out of his house and peered into the neighbors window that night once Bill was sleeping. What Puggy saw shocked him! In that house cages littered the ground and computers were set up everywhere! He saw animals locked up in cages and knew that these animals were the animals that were reported kidnapped. A Suspicious Neighbor is a book that takes the reader through the journey of a typical dog and with good fortune on his side, he achieved a modified technological body that he vowed to use to save the animals and possibly the whole world.
