

# My Little Chinese Story Books series(30)Stupid Thief (English and Chinese Edition)

This series contains books with both words and pictures. The author describes lively and interesting stories in the simplest language, which are closely related to students life and the topics they come across in class. There are exercises after each story. The inserted pictures are also exquisite and amusing. The books are suitable for Chinese learners under the age of 15. There is also a CD-ROM included in each book.
