

Twinkle, the Christmas Mouse

Once upon a time, on a cold, wintery Christmas Eve, as the clocks hands turned past midnight into Christmas morning, Wilford and Olivia Mouser welcomed their newborn daughter into the world. Wilford took one look at the sparkles in his daughters gorgeous eyes, twinkling like the night stars, and he named her Twinkle. Just after Twinkles birth, Wilford and Olivia eagerly awaited the arrival of Santa. For many years ago, it became known that if a girl mouse was ever born on Christmas morning, she would become the Christmas Queen, the highest of royalty in Santas Kingdom. A Queen who will have to make great decisions, as well as deliver Christmas Wishes all over the world. A Queen loved by all. When Santa arrives, he blesses the Mouser family, and proclaims their newborn daughter to be Twinkle, the Christmas Mouse. Santa is overjoyed to at last meet his Christmas Queen. Santa has set Twinkles destiny in motion, the beginning of a life already planned out for her, even though she is not even an hour old. Will Twinkle honor her destiny, or will she let Santa, her family and the world down by rebelling against her birthright? Which path do you think she will choose? Keep an eye out for the Twinkle, the Christmas Mouse Series, and discover her future.
