

## Interactive Level 1 Teachers Book with Web Zone Access

Interactive is an exciting four-level course for teenage learners from elementary to upper-intermediate levels (CEF A2-B2). This contains full explanations working with the Students Book material and an answer key. The introduction includes tips for teaching skills, using the internet and the DVDs, and managing the Interaction and Pronunciation sections. There is an optional activity for every page of the Students Book developing grammar, vocabulary, reading or listening. Background cultural information is provided where relevant and there are weblinks to follow on from the Skills4Real sections. There is also around an hours worth of optional reading, listening and speaking activities to accompany each graphic novel instalment. A teacher Web Zone access code is included.
