

## Frantic Fairground Fun (The Adventures of Lily and Dave Book 4)

This is a story about a golden retriever puppy named Lily May. Lily lives with her human sisters Abby and Bella, and her human mummy and daddy. They also live with Dave. Dave is a cat from a rescue centre. He is around 12 years old (nobody knows for sure) and is the most knowledgeable, worldly wise, animal you could ever meet. He has been everywhere and done and seen everything. Lily loves Dave with all her heart, because he is always there to help her out in a muddle and she gets into plenty of them. Just now and again though, Dave needs Lily too, and although he was unsure when the little pup arrived at his house, he soon grew to love her plenty.
