

French CD Travel Pack: Essential Language & Travel Information: Learn to speak & understand French. (Linguaphone Travel Pack)

DESTINATION: France! Definitely the best way to prepare Linguaphone's French Travel Pack... Take advantage of your time in France. Once you've made the decision to travel to Spain, your first step should be to begin preparations with a Linguaphone Travel Pack. Not your typical travel course? You AND the course... Few self-study courses have ever considered taking students as far as the Travel Pack does. Not only are all skills addressed and advanced, but also the subtleties and complexities of the language where style and content do as much to convey meaning as the words themselves. Linguaphone's Travel Pack provides an in-depth exploration of a language now spoken by over 300 million people in 23 countries world-wide. Tapas in Madrid, Tacos in Mexico, or Cervantes anywhere... French is spoken in many varieties but the differences are small - Castilian Spanish and Latin American Spanish are closely related, much like British English and American English. The Travel Pack course will allow you to appreciate the finer points of the language introducing you to those differences and not only improving your own ability to communicate in any French-speaking country, but also unlocking the door to the wealth of great French literature as well. What's included... Travel CD Track 1 How to get there, what to take to be prepared Track 2 The land and the people: The basics Track 3 Madrid, Castile, Segovia, Avila: The sites and how to see them. Track 4 Andalucia: What Spain is all about Track 5 Galicia: History & Religion of Spain Track 6 Catalonia: Beaches and Festivals Track 7 Balearic Islands: The Mediterranean resorts Language CD Track 1 Uniquely Linguaphone components... Course materials are comprised of 6 60-minute audio CDs, 2 Course Books, a Vocabulary book, and a Further Practice book.
