

Little Star

I think I understand! Little Star cried out. The baby Jesus is a king! Hes just little!A king is about to be born! The stars in the heavens are competing to shine the brightest to celebrate his birth. But when they see the poor family, the donkey, the shabby stable, the stars all think, That cant possibly be a king. Weve been fooled.All except one. The smallest, loneliest star in the sky, Little Star, is the only one to understand what the king was about to bring to the world. But what can Little Star do for him?Certain to become a Christmas classic, this delightful tale connects the star atop our Christmas trees to the true meaning of Christmas, the birth of Jesus, in the hearts and minds of young children.
