

## Through The Eyes Of The Heart: A journey to feel what we can not always see

Lisa Leon was born in PA but has spent many of her adult years living in Mexico where the inspiration for this book began. Lisa is a free lance writer, spiritual medium photographer, aura interpreter and healer. Through the eyes of the heart is a photo journal of what lies beyond, a journey to feel what one can not always see. Lisa has an ability of putting our emotions into words as she shares messages from the heart. There is more to life than meets the eye and her powerful photographs will mark a new way of looking at life.
