

Arabic Course for English Speaking Students - Madinah Islamic University: Level 2

Learning classical Arabic effectively could not be easier than this course of Madinah Islamic University. A tried and tested course over 40 years with proven track record of success, it is ideal in terms of the topics covered and short time taken to learn. It is suitable for schools and colleges in the UK and other Western English speaking countries. This course is a comprehensive and popular course for the teaching of the Quranic and Traditional Arabic, originally devised and taught at the renowned Madinah Islamic University, catering for the non-Arabic speaking students from all over the world. Over the years, this course has enabled students to become competent in their use of the Arabic language and to participate and benefit from scholarly pursuits such as Quranic exegesis, haddith, Fiqh, Sirah, history, and classical and modern Arabic literature. Whilst there are now several courses available on the market for the teaching of the Arabic language, the unique features of this particular one are: 1. It is concise (consisting of only three books, reasonably short) but extensive in their coverage. 2. It combines modern Arabic vocabulary with Islamic terminology used in the Quran and Sunnah. 3. It helps acquire an understanding of hundreds of Quranic verses, ahadith, Arabic parables and poetry. 4. The author presents Arabic as a living and vibrant language and takes examples from Arabic in everyday use, as also from the Quran and the Sunnah, so that student learns the language. He also acquires an understanding of hundreds of Quranic verses, ahadith, Arabic parables and poetry. In this way, ethical teachings are infused into the whole, and the student becomes directly involved in the study of the Quran and the Sunnah while simultaneously acquiring a sound understanding of the Arabic language.
