

Messages 4 Companion Greek edition

Messages is a four-level course for lower-secondary students. There are 6 modules of 2 units per level, each divided into 3 manageable steps. Clear aims and outcomes for each step mean students can put what they learn into practice immediately. Each level of the course provides 80-90 hours of classwork with lots of recycling in regular four-page review sections. Level 1 assumes students have studied English at primary school, but gives full coverage of all basic language areas. The course takes students to an intermediate level by the end of Level 4. This Companion contains a Language passport and biography, bilingual wordlist, Can-do portfolio, bilingual grammar notes and Common error exercises tailored for Greek speakers.
