

Stimulated Tests of the New Chinese Proficiency Test HSK (HSK Level 5) (Discs Included) (Chinese Edition)

New Chinese Proficiency Test HSK Stimulated Tests altogether have six levels. It is a collection of simulated tests written by experienced TCSL teachers according to the general requirements of New Chinese Proficiency Test HSK (Chinese Proficiency Test) newly enacted by Hanban. All the simulated tests have been used in preparation classes and proved to help examinees improve their examination skills and Chinese in a short time. There are 10 simulated tests within each volume, covering vocabulary and examination points at all levels. Introductions in both English and Chinese on the New HSK and the examination points have been made within this book. Enclosed is the recording MP3 of the listening exercises. This book is divided into 5 levels, with a starting vocabulary of 2500 words.
