

Oh My Dog!

This is the story of two incredible short-legged puppies, their beginnings and their funny, sometimes naughty adventures.

Bailey and Bella will tell you just what it feels like to be a little dog arriving at a brand new home and becoming part of a family. This is their tail thus far. Come and join their exciting lives of discovery as they creep into your heart. The storyteller is Bailey and Bellas human mom. Enjoy the real life photographs and share in the playful narration of this entertaining and amusing little book. Youngsters will delight in the humour and fall in love with their new doggie friends.
