

Portuguese Business Dictionary

International business in the 21st century requires a new kind of dictionary. The Portuguese Business Dictionary fulfills such a need. This dictionary is designed to facilitate business between Portuguese and English-speaking countries. The first of its kind to provide the business terms of the United States, Brazil, and Portugal, it is an invaluable tool for communicating in the global market. These terms encompass accounting, economics, insurance, real estate, modern banking, computers, the Internet, and more. Terms used by organizations like the United Nations, World Bank, and the International Monetary Fund are also included.
