

## Im Still Preaching It!

All things are supposed to be done to the glory of God. There are so many unnecessary things going on in the Churches today that have nothing to do with the soul of man. It is easy to become popular by following the in-crowd, but who dares, in these last and evil days, to stand alone and preach Gods Word without compromising. Who is bold enough to call sin, sin and let the Holy Spirit bring conviction to the hearts of the people! Who is daring enough to name the sins, one by one, issuing out the keys of deliverance through Jesus Christ. Christ finished work on Calvary deserves much more honor and respect than what the Churches are displaying before a dying world. Its time to call sin for what it is and stop playing Church! Fornication is wrong! Adultery is wrong! Shacking up is wrong! Jesus is soon to come and church folks are still partying-oh, my God! Im Still Preaching It contains a small number of the hundreds of Sermons I have preached over the years. I did not want to be a Pastor, but because God called me and sent me, my life is on the line and I must do what God has ordained me to do-preach His Word! For those of you who want to be saved, delivered and set free or who are looking for a way out and a ray of hope-Im Still Preaching It!
