

## Smythe Sewn Fantastic Felines Mediterranean Cats Unlined

Enjoy a visual flirtation with our most enigmatic domestic companion. Only this time, the cat comes in vivid colors and is stylized to delight and surprise. Laurel Burch uses her keen intuition and uncanny imagination to create images of whimsy and allure, moving themes in paint and paper, touched with gold and silver. The trim size and eye-catching cover of the Mediterranean Cats journal will attract the attention of even the most world-weary shoppers due to its new flap design which hides the full cover image until the flap is opened. It also comes with a memento pouch, ribbon page marker, and archival quality, lined cream paper.
