

# The Big Ten of Grammar: Identifying and Fixing the Ten Most Frequent Grammatical Errors

Have you ever hesitated when choosing between I or me? Have you had trouble figuring out tricky pronouns like who or whom? What about those always-troublesome commas do they go before or after the quotation marks? If you're anything like the rest of us, you struggle with these age-old grammatical issues. In this practical and easy-to-understand handbook, Dr. William B. Bradshaw identifies the ten most common errors in English grammar and helps you to recognize and correct these mistakes, enabling you to write and speak with greater clarity in your personal and professional life. The Big Ten of Grammar is the perfect guide for students, teachers, and professionals to use in brushing up on their grammar.
