

Pay Now, Fly Later with Time Frame: Why your long term success is hidden in your organization chart (Whos The Driver Anyway? Book 3)

General Motors didnt have it. Xerox failed at this. Microsoft mastered it and Canadas banking system too. What is it? Its the ability to make the correct long term decisions. Author John Kuypers calls it Time Frame. Time Frame is the ability of a leader to make painful, costly decisions now for the long term benefit of their cause. Their brilliance or lack thereof, only becomes apparent years later. The real secret? Its all hidden in your org structure and core job accountabilities at each level.
