

Heavy Horses 15 A Lost Horse and New Beginnings

Roger Rogerson has made it his life's work to rescue heavy horses. His adventures take him far and wide to a cold barren Russian farm and to a bog in England where a Suffolk Punch is slowly being sucked under the mud. With his friends Hilary the vet and Tim the policeman he comes to the rescue of horses while his wife Rose reads stories to the visitors who come to see the magnificent horses on his farm. Putting his own life in danger to save one horse after another Rogerson's adventures and the sad plight of many of the animals he rescues will live with you for a lifetime.
