

# Woe Is I - The Grammarphobes Guide To Better English In Plain English

Written by Patricia T. OConner, an editor at the New York Times Book Review, Woe Is I gives lighthearted, witty instruction on the subject most of us dreaded in school--grammar. Discussion is brief and concise, and much more engaging than the grammar books you may remember. With chapter titles such as Woe is I: Therapy for Pronoun Anxiety, Your Truly: The Possessive and the Possessed, Verbal Abuse: Words on the Endangered List, Comma Sutra; The Joy of Punctuation, and Death Sentence: Do Cliches Deserve to Die?, OConner proves that even grammar can make for entertaining reading.
