

Spirit Worlds and Journeys: A Workbook for Writers

Our world is an illusion, one created by a spirit worlds and fairy realms which wish to remain secret. There are, however, some few who can burst into the real world of spirits and dreams to steal inspiration from the fairies, retrieve lost souls, and most importantly defend humanity from the reality of our universe. This workbook will guide you not only to understand the spirit world, but to create your own spirit worlds based on the folk tales people once told about these lands.
